"NEW DRIVER" Vehicle Magnets Now Available.

Parents, having one or more of these magnetic signs on your vehicle while your teenager is learning to drive may persuade another driver to give them a break in case they make a mistake.

These signs are made of high quality, 30 mil thick, flexible magnetic sheeting. The bright yellow background provides excellent contrast for the 2.5" high black copy.

All signs can be purchased in class or through the mail. We accept cash, check, or money order.

You can purchase 3 signs in any combination for \$ 35.00 plus \$ 7.00 Shipping and Handling. This would allow you to have one sign on each side of the vehicle, and also one sign on the back of the vehicle. Be sure to measure your vehicle to determine the best size for your situation.
